

# YOUTH FOR UNDERSTANDING (YFU) AUSTRALIA AND NEW ZEALAND

## Host Family Registration Form PRIVATE & CONFIDENTIAL

We would like to register Your interest in  
Hosting a YFU International Exchange Student

Whether you're a family with children, a single parent family, or a married couple, you can open your heart and home to a YFU International Exchange Student. All kinds of families are selected to host YFU students, but all have a common interest in young people and learning more about the world and themselves.

PLEASE NOTE: This is not an application to host a YFU exchange student. It registers on a confidential basis, your interest in becoming a YFU host family. Should a student be available, a YFU representative will contact you to ask if you wish to proceed with the matching process.

PLEASE RETURN THE COMPLETED FORM TO:
