## Italy

Emma is a 15-year-old girl who lives with her Mum, Dad, and a younger sister. She describes herself as a fairly outgoing person who likes to make friends. She thinks of the good of other before hers. Sometimes she can be too direct with people. She likes to be organised and punctual and doesn't like the unexpected. Her friends say that she is a sunny person who always tries to make people laugh. She is straightforward and honest.

### While on Exchange

Emma hopes the experience will make her more self-confident and reflective. She hopes to have a wider world vision and become more independent.
